Funding Scenarios

Scenario	Estimated Facility Funding	Sources Combined
Conservative	$200,000 - $300,000	Atherton + Bank of Hawaii
Moderate	$500,000 - $700,000	+ Weinberg Foundation
Aggressive (Layered)	$950,000 - $1,050,000	All sources including LWCF match

Key Strengths to Leverage

1. **Proven Precedent:** Mid-Pacific School received $200,000 from Atherton for track and field facilities in 2024 - direct model for Ka Ulukoa's application.

2. **Native Hawaiian Focus:** Multiple Hawaii funders prioritize Native Hawaiian cultural values and programming - a core strength for Ka Ulukoa.

3. **Facility Acquisition Alignment:** 4 of 5 opportunities this week explicitly fund facility projects, with proven track records.

4. **Layered Funding Strategy:** Foundation grants can serve as match documentation for government funding (LWCF requires 50% match).

Success Path

Phase 1 (January 2026): Secure foundation funding from Atherton ($200K potential) and Bank of Hawaii ($50K potential) to establish facility project viability.

Phase 2 (Q1-Q2 2026): Build Weinberg Foundation relationship through LOI submission; use Phase 1 awards as leverage.

Phase 3 (Q2-Q3 2026): Apply for LWCF using foundation awards as match documentation; pursue Hawaii Community Foundation for gap funding.

2. About Ka Ulukoa

Organization Profile

Ka Ulukoa is a youth athletics organization serving Hawaii with a focus on facility acquisition to provide dedicated training and competition space for program participants.

Grant Funding Goals

- Primary Goal: Secure facility for youth athletics programming
- Target Range: $100,000 - $500,000 per major grant
- Strategy: Layered funding from foundations and government sources
- Total Project Potential: $950,000 - $1,465,000 through combined sources

Core Program Focus

Program Area	Funding Alignment
Youth Athletics	All Hawaii foundations
Native Hawaiian Youth Development	Atherton, Weinberg, HCF
Facility Acquisition	Atherton, Bank of Hawaii, LWCF, CDBG
Community Recreation	LWCF, HCF
Character Development	USATF, Weinberg

Facility Acquisition Strategy

Ka Ulukoa's layered funding approach positions foundation grants as the foundation for larger government funding:

Funding Layer	Target Amount	Purpose
Layer 1: Local Foundations	$250,000	Seed funding + credibility
Layer 2: Major Foundations	$400,000	Core facility funding
Layer 3: Government (LWCF)	$200,000	Match-based expansion
Layer 4: Gap Funding	$100,000	Completion funding
Total Potential	**$950,000+**	

---

3. Opportunities Overview

Why These Five

1. **Atherton Family Foundation:** January 5 deadline with proven $200K facility funding precedent (Mid-Pacific School track). Highest priority due to deadline proximity and perfect fit.

2. **Bank of Hawaii Foundation:** January 16 deadline for Major Capital grants. Local foundation with community investment focus and preference for Hawaii organizations.

3. **Weinberg Foundation:** Rolling LOI with $18 million annual Hawaii giving. Relationship cultivation should begin immediately for Q1 2026 submission.

4. **Hawaii Community Foundation:** Gateway to Atherton funding through same portal (hawaiicf.smartsimple.com). Multiple funding opportunities through various HCF funds.

5. **LWCF:** 50% match potential for facility funding. Kalawai Park courts precedent demonstrates athletic facility eligibility. Foundation awards can serve as match.

4. Opportunity Deep Dives

Opportunity #1: Atherton Family Foundation

DEADLINE: January 5, 2026, 4:00 PM HST - HIGHEST PRIORITY

Why This Opportunity

Atherton Family Foundation is Ka Ulukoa's single best opportunity for facility funding. In 2024, Mid-Pacific School received exactly $200,000 from Atherton for a track and field facility - a direct precedent for Ka Ulukoa's application. The foundation explicitly funds buildings, equipment, and vehicles, with capital grants up to $200,000. The January 5 deadline requires immediate action.

Funder Overview

Element	Details
Funder Name	Atherton Family Foundation
Location	Hawaii
Funding Amount	$10,000 - $200,000 (capital up to $200K)
Average Grant	$38,000
Deadline	January 5, 2026, 4:00 PM HST
Fit Score	95/100 - EXCELLENT
Portal	hawaiicf.smartsimple.com
Contact	Elizabeth Lentz-Hill
Email	elentzhill@hcf-hawaii.org
Phone	(808) 566-5543

Application Process

Step 1: Portal Registration (Immediately) - [ ] Go to hawaiicf.smartsimple.com - [ ] Create organizational account - [ ] Complete organizational profile - [ ] Verify 501(c)(3) status in system

Step 2: Document Preparation (By December 20) - [ ] Gather IRS 501(c)(3) determination letter - [ ] Compile financial statements (last 2 years) - [ ] Prepare detailed project budget and timeline - [ ] Create board of directors list with affiliations - [ ] Develop organizational budget (current fiscal year) - [ ] If project exceeds $500K total: Document 60% funding secured

Step 3: Application Development (December 20 - January 3) - [ ] Complete online application form - [ ] Write compelling narrative referencing Mid-Pacific precedent - [ ] Detail Native Hawaiian youth served - [ ] Explain community access to facility - [ ] Describe sustainability plan post-construction - [ ] Upload all required documents

Step 4: Submission (By January 5) - [ ] Final review of all application sections - [ ] Verify all documents uploaded correctly - [ ] Submit by 4:00 PM HST - [ ] Save confirmation receipt - [ ] Download copy of submitted application

Required Documents Checklist

- ☐ IRS 501(c)(3) determination letter
- ☐ Financial statements (last 2 years) - audited preferred
- ☐ Project budget with detailed line items
- ☐ Project timeline with milestones
- ☐ Board of Directors list (names, affiliations, terms)
- ☐ Current organizational budget
- ☐ Proof of 60% funding secured (if total project exceeds $500K)
- ☐ Architectural renderings or plans (if available)
- ☐ Letters of support from community partners
- ☐ Impact data on youth served

Positioning Strategy

Reference the Precedent: - Mid-Pacific School received $200,000 from Atherton in 2024 for track and field facility - Total project: $7.5 million, 100% donation-funded - Three-year payout structure - Position Ka Ulukoa application as following this successful model

Emphasize Native Hawaiian Youth: - Document percentage of Native Hawaiian participants - Highlight cultural values integration in programming - Reference Hawaiian language in organization name - Include testimonials from Native Hawaiian families

Community Access: - Detail how facility will serve broader community beyond Ka Ulukoa programs - Include public access provisions - Show disaster relief/resilience function - Describe multi-generational programming potential

Sustainability Plan: - Facility rental revenue projections - Ongoing operational funding sources - Volunteer engagement for maintenance - Partner organization commitments

Funder Intelligence

- One grant per organization per year maximum
- Prior grant reports must be complete before new application
- Average grant is $38K; capital requests can reach $200K
- Capital requests (over $25K) typically accepted at July deadline, but January deadline accepts all amounts
- Board reviews major capital at December meeting
- Foundation values Hawaiian community benefit

Application Tips

- Start with the precedent: "Following the successful model of Atherton's $200,000 investment in Mid-Pacific School's track facility…"
- Be specific about number of Native Hawaiian youth served
- Include demographic data on participants
- Show leverage from other funding sources
- If requesting $200K, justify with specific capital needs
- Ensure all prior grant reports are complete before applying

Estimated Time to Complete

- Portal registration and profile: 2-3 hours
- Document gathering: 8-10 hours
- Application narrative development: 10-15 hours
- Budget preparation: 5-8 hours
- Review and submission: 3-5 hours
- Total: 28-40 hours

Opportunity #2: Bank of Hawaii Foundation

DEADLINE: January 16, 2025 - URGENT

Why This Opportunity

Bank of Hawaii Foundation provides local preference for Hawaii organizations with a dedicated Major Capital grant category. While funding amounts are more modest ($5,000-$50,000), BOH Foundation

serves as an important layer in Ka Ulukoa's funding strategy. Securing local foundation support strengthens applications to larger funders.

Funder Overview

Element	Details
Funder Name	Bank of Hawaii Foundation
Location	Hawaii
Funding Amount	$5,000 - $50,000
Grant Type	Major Capital
Deadline	January 16, 2025
Fit Score	75/100 - STRONG
Access Code	BOHFMC
Phone	(808) 694-4945
Website	boh.com/philanthropy/grants

Application Process

Step 1: Access Application (December 2025) - [ ] Visit boh.com/philanthropy/grants - [ ] Click on "Bank of Hawaii Foundation" - [ ] Enter access code: BOHFMC - [ ] Create account if needed

Step 2: Complete Application (By January 10) - [ ] Fill out organizational information - [ ] Describe capital project and community impact - [ ] Detail low/moderate income population served - [ ] Include budget for capital request - [ ] Upload required documentation

Step 3: Submit Application (By January 16) - [ ] Review all sections for completeness - [ ] Submit before deadline - [ ] Save confirmation

Required Documents Checklist

- ☐ IRS 501(c)(3) determination letter
- ☐ Organizational budget
- ☐ Project budget for capital request
- ☐ Board of Directors list
- ☐ Program description
- ☐ Demographics of population served
- ☐ Community impact statement

Key Contacts

Contact	Details
Foundation Office	(808) 694-4945
Website	boh.com/philanthropy/grants
Access Code	BOHFMC

Positioning Strategy

High-Impact Community Need: - Document lack of dedicated athletic facilities for youth - Quantify number of youth currently underserved - Show geographic service area coverage - Reference public health benefits of youth athletics

Low/Moderate Income Focus: - Document income levels of families served - Highlight free or reduced-cost programming - Show accessibility for underserved communities - Reference scholarship or financial assistance programs

Local Connection: - Emphasize Hawaii-based organization - Highlight local staff and leadership - Show community partnerships - Reference economic impact on local area

Funder Intelligence

- Bank of Hawaii Foundation prioritizes local organizations
- Strong emphasis on community impact
- Financial literacy integration viewed favorably
- Corporate giving model - decisions made quarterly
- Major Capital category specifically for facility/equipment projects

Application Tips

- Use access code BOHFMC to access Major Capital application
- Emphasize community-wide benefit, not just organizational benefit
- Include specific numbers of youth to be served
- Show how facility addresses unmet community need
- Reference any existing Bank of Hawaii relationships

Estimated Time to Complete

- Application access and account setup: 1-2 hours
- Application completion: 8-10 hours
- Document preparation: 4-6 hours
- Review and submission: 2-3 hours
- Total: 15-20 hours

Opportunity #3: Harry & Jeanette Weinberg Foundation

DEADLINE: Rolling LOI - Begin Relationship Building Now

Why This Opportunity

The Weinberg Foundation commits $18 million annually to Hawaii grants, making it one of the largest funders in the state. With grants ranging from $50,000 to over $500,000, Weinberg represents the potential for transformational facility funding. However, Weinberg is relationship-based - cultivation must begin now for successful Q1 2026 submission.

Funder Overview

Element	Details
Funder Name	Harry & Jeanette Weinberg Foundation
Headquarters	Baltimore, MD (Hawaii office active)
Hawaii Giving	$18 million annually
Funding Amount	$50,000 - $500,000+
Deadline	Rolling LOI submission
Fit Score	85/100 - STRONG
Website	hjweinbergfoundation.org

Application Process

Step 1: Research and Preparation (December 2025) - [ ] Review recent Hawaii grants at hjweinbergfoundation.org/grants/search-our-grants/ - [ ] Identify similar funded projects - [ ] Align Ka Ulukoa narrative with Weinberg priorities - [ ] Prepare organizational overview

Step 2: Letter of Inquiry Submission (January 2026) - [ ] Submit LOI through foundation website - [ ] Include project summary (1-2 pages) - [ ] Describe organization background - [ ] Provide budget overview - [ ] Detail population served demographics

Step 3: Relationship Cultivation (Ongoing) - [ ] Await foundation response (typically 4-8 weeks) - [ ] If invited, prepare full proposal - [ ] Anticipate site visit for large requests - [ ] Maintain communication throughout process

Required Documents Checklist

For LOI: - [ ] Organization background summary (1 page) - [ ] Project description (1-2 pages) - [ ] Budget overview (high-level) - [ ] Population demographics served

For Full Proposal (if invited): - [ ] Detailed project budget - [ ] Complete organizational financials - [ ] Board of Directors with affiliations - [ ] Logic model or theory of change - [ ] Outcome measurement plan - [ ] Sustainability strategy

Positioning Strategy

Native Hawaiian Cultural Values (Critical): - Lead with cultural integration in programming - Use appropriate Hawaiian language terminology - Reference organization name meaning - Include cultural advisors or board members - Partner with Native Hawaiian organizations

Poverty and Need Documentation: - Document income levels in service area - Show percentage of low-income youth served - Reference free programming availability - Connect athletics to basic needs (health, belonging, opportunity)

Collaboration Emphasis: - Show partnerships with other nonprofits - Reference community support letters - Demonstrate collective impact approach - Highlight shared resources model

Funder Intelligence

Recent Hawaii Awards (Reference for Positioning): - Hawaii Opportunity Youth Learning Network: $100,000 (2024) - PBS Hawaii facility: $2,000,000 - Multiple youth workforce programs funded - Strong emphasis on Native Hawaiian communities

Foundation Priorities: - Basic human needs (shelter, food, health) - Workforce development - Education (older adults and disabled) - Disabilities - Hawaii and Baltimore focus regions

Application Tips

- LOI should be concise - 2-3 pages maximum
- Lead with Native Hawaiian values and population
- Document poverty levels explicitly
- Reference similar funded projects in Hawaii
- Expect 6-12 month timeline from LOI to award
- Site visits are common for requests over $100K
- Relationship building is essential - don't rush

Estimated Time to Complete

- Research and preparation: 8-10 hours
- LOI development: 10-15 hours
- Follow-up cultivation: Ongoing (5-10 hours/month)
- Full proposal (if invited): 30-40 hours
- Total initial phase: 20-25 hours

Opportunity #4: Hawaii Community Foundation

DEADLINE: April 2026 (Next Major Round)

Why This Opportunity

Hawaii Community Foundation serves as both a direct funding source ($25,000-$100,000) and a gateway to Atherton Family Foundation funding (same portal). HCF offers multiple grant programs throughout the year, and establishing a profile on hawaiicf.smartsimple.com is required for Atherton applications. HCF funding can also serve as match documentation for LWCF.

Funder Overview

Element	Details
Funder Name	Hawaii Community Foundation

Element	Details
Location	Honolulu, HI
Funding Amount	$25,000 - $100,000
Deadlines	Multiple (January, April, October)
Fit Score	90/100 - EXCELLENT
Portal	hawaiicf.smartsimple.com
Website	hawaiicommunityfoundation.org

Application Process

Step 1: Portal Registration (Complete for Atherton) - [ ] If not done for Atherton: Register at hawaiicf.smartsimple.com - [ ] Complete organizational profile - [ ] Upload standard organizational documents

Step 2: Identify Appropriate Fund (February 2026) - [ ] Review open applications at hawaiicommunityfoundation.org/grants/open-applications - [ ] Match Ka Ulukoa priorities to available funds - [ ] Note specific fund requirements and deadlines

Step 3: Application Development (March 2026) - [ ] Complete fund-specific application - [ ] Align narrative with fund priorities - [ ] Upload project-specific documents

Step 4: Submission (April 2026) - [ ] Submit by fund deadline - [ ] Track application status through portal

Required Documents Checklist

- ☐ IRS 501(c)(3) determination letter
- ☐ Financial statements (2 years)
- ☐ Board of Directors list
- ☐ Organizational budget
- ☐ Project budget
- ☐ Project timeline
- ☐ Impact metrics documentation

Key Contacts

Contact	Details
Website	https://www.hawaiicommunityfoundation.org/
Grants Page	hawaiicommunityfoundation.org/grants/open-applications
Portal	hawaiicf.smartsimple.com

Positioning Strategy

Gateway to Atherton: - Registration on portal is required for Atherton - HCF relationship demonstrates Hawaii nonprofit credibility - Success with HCF can strengthen Atherton application

Statewide Impact: - Document service across multiple areas/islands - Show reach beyond single community - Reference partnerships statewide

Native Hawaiian Component: - Align with HCF's Hawaiian culture priorities - Document Native Hawaiian participation - Include cultural programming elements

Funder Intelligence

- HCF administers multiple donor-advised and restricted funds
- Each fund has specific priorities and deadlines
- Same portal used for HCF and Atherton applications
- HCF values collaboration and community impact
- Established relationships benefit future applications

Application Tips

- Complete portal registration during Atherton application (single effort, dual benefit)
- Review all open applications to find best fund match
- HCF success can be referenced in Atherton applications
- Keep portal profile updated for future opportunities
- Monitor website monthly for new fund openings

Estimated Time to Complete

- Portal registration: Completed for Atherton
- Fund research: 3-5 hours
- Application development: 10-15 hours
- Document preparation: 5-8 hours (leverage Atherton docs)
- Total: 18-25 hours

Opportunity #5: Land & Water Conservation Fund (LWCF)

DEADLINE: Contact DLNR for Current Cycle

Why This Opportunity

LWCF provides federal funding through state parks departments for outdoor recreation facilities. With 50% match requirements, Ka Ulukoa can leverage foundation awards (Atherton, Weinberg) as match to potentially double available funding. The Kalawai Park courts project demonstrates that athletic facilities qualify for LWCF funding in Hawaii.

Funder Overview

Element	Details
Program Name	Land & Water Conservation Fund State Grants
Administering Agency	DLNR Division of State Parks
Funding Amount	$50,000 - $500,000+
Match Requirement	50% (1:1)
Deadline	Contact DLNR for current cycle
Fit Score	80/100 - STRONG

Element	Details
Contact	DLNR Division of State Parks

City	Honolulu, HI 96813

Application Process

Step 1: Initial Contact (December 2025) - [ ] Call DLNR at (808) 587-0300 - [ ] Request information on current LWCF cycle - [ ] Ask about application timeline and requirements - [ ] Inquire about technical assistance availability

Step 2: Pre-Application Preparation - [ ] Prepare Preliminary Architectural Feasibility Report - [ ] Develop detailed cost estimates - [ ] Document match sources (foundation awards, cash, in-kind) - [ ] Create public access plan for facility

Step 3: Application Development - [ ] Complete LWCF application forms - [ ] Submit architectural and cost documentation - [ ] Provide match commitment letters - [ ] Include environmental assessment

Step 4: Review and Award - [ ] DLNR reviews for state priorities - [ ] NPS reviews for federal compliance - [ ] Award notification - [ ] Grant agreement execution

Required Documents Checklist

- ☐ Preliminary Architectural Feasibility Report
- ☐ Detailed cost estimates from contractors
- ☐ Match documentation (letters of commitment)
- ☐ Public access plan and guarantee
- ☐ Environmental assessment or review
- ☐ Site control documentation (ownership or lease)
- ☐ Organizational capacity documentation
- ☐ Project timeline

Positioning Strategy

Public Recreation Emphasis: - Position facility as community recreation asset, not private organization use - Include public access hours and policies - Show community programs beyond Ka Ulukoa - Reference public health and recreation benefits

Community Access Guarantee: - LWCF requires public access - this must be documented - Include specific hours/policies for community use - Show how facility addresses recreation desert - Reference underserved population access

Match Strategy: - Foundation awards (Atherton, Bank of Hawaii) can serve as match - Document committed funding sources - Include volunteer hours as in-kind match - Show sustainability through diversified funding

Funder Intelligence

Hawaii Precedent: - Kalawai Park courts funded through LWCF - Athletic facilities are eligible projects - Public access is non-negotiable requirement - State priorities influence project selection

Program Requirements: - 50% match required (cash, in-kind, or combination) - Cannot prohibit public access to facility - Federal compliance requirements apply - Environmental review typically required - Multi-year project timelines common

Application Tips

- Call DLNR early to understand current cycle timing
- Secure foundation funding first to use as match
- Public access commitment is essential - cannot be waived
- Architectural feasibility report is required - budget for this
- Environmental assessment costs should be factored
- Allow 12-18 months from application to award

Estimated Time to Complete

- Initial DLNR contact and research: 5-8 hours
- Architectural feasibility report: Contract with architect
- Cost estimates: Contract with contractors
- Application development: 25-35 hours
- Environmental assessment: Contract if needed
- Total staff time: 35-45 hours plus contracted services

8. Conclusion and Next Steps

Summary

This Week 1 report identifies five strategic grant opportunities for Ka Ulukoa's facility acquisition goals:

1. **Atherton Family Foundation** - January 5, 2026 deadline with $200,000 proven capacity for athletic facilities (Mid-Pacific School precedent)
2. **Bank of Hawaii Foundation** - January 16, 2025 deadline for local foundation capital funding
3. **Weinberg Foundation** - Rolling LOI with $18 million annual Hawaii commitment and relationship-based giving
4. **Hawaii Community Foundation** - Gateway to Atherton and April 2026 funding opportunities
5. **LWCF State Grants** - 50% match potential using foundation awards as leverage
