Positioning Strategy

Recommended Project Positioning: Position your senior housing development as directly addressing Clark County's critical need for affordable senior units. Nevada has only 17 affordable units per 100 extremely low-income senior households - the worst ratio in the nation.

Key Messaging Points:

1. **Senior Housing Crisis:** Reference the severe shortage of affordable senior housing in Clark County
2. **Deep Affordability:** Emphasize units serving households at 50% AMI or below
3. **Nonprofit Mission:** Highlight RHF's nonprofit status and long-term commitment to affordability
4. **Execution Capability:** Demonstrate readiness to proceed quickly with construction
5. **Community Partnerships:** Reference any local nonprofit partnerships or support

Reference Recent Awards:

- Ovation Development: $21.9M (May 2024)
- 276 senior units, partnered with CLSN
- Bruner Senior Apartments: $12.9M
- 194 senior units
- Heirloom at Pebble: $7.5M from CHF
- 195 senior units

Winning Formula from Ovation:

- Partnership with established local nonprofit (CLSN)
- Focus on extremely low income (<50% AMI)
- Large scale (200+ units)

- Multiple funding sources layered
- Quick execution capability demonstrated

Funder Intelligence

What Clark County Looks For:

- Projects serving lowest-income seniors
- Strong developer track record
- Community partnerships and local support
- Readiness to proceed quickly
- Leveraged funding from other sources
- Deep affordability covenants
- Professional development team

Scoring Priorities:

- Income targeting (lower AMI = higher priority)
- Senior housing designation
- Developer experience and capacity
- Project readiness and timeline
- Community need documentation
- Financial feasibility

Application Tips

1. **Submit Early:** Allow 2 hours buffer before 5:00 PM deadline
2. **PDF Format:** Ensure all documents are in PDF format
3. **Naming Convention:** Use clear file names (e.g., "RHF_501c3_Letter.pdf")
4. **Local Support:** Include letters from Clark County officials if possible
5. **Waiting Lists:** Document community need with actual waiting list data
6. **Financial Clarity:** Make pro forma easy to follow with clear assumptions
7. **Team Resumes:** Highlight senior housing-specific experience
8. **Technical Issues:** Test ZoomGrants submission early; contact support if problems

Positioning Strategy

Recommended Project Positioning: Position as experienced nonprofit senior housing developer bringing proven model to Georgia. Emphasize that senior housing projects do not compete with family projects under Georgia's QAP, providing dedicated pathway for senior developments.

Key Messaging Points:

1. **Dedicated Senior Track:** Georgia DCA allocates credits specifically for senior housing - no competition with family projects
2. **Nonprofit Advantage:** 501(c)(3) status provides scoring benefits
3. **4% Accessibility:** 4% credits with bonds are more accessible than competitive 9% credits
4. **Experience Portfolio:** Demonstrate track record with similar senior developments
5. **Financial Capacity:** Show ability to close complex tax credit transactions

Reference Recent Awards (September 2025): - Total statewide: $37.2M in tax credits - 10 senior-exclusive projects funded - Average award per senior project: ~$1.2M annually

Funder Intelligence

Georgia DCA Priorities:

- Senior housing has dedicated allocation
- Nonprofit sponsors receive preference
- Deep affordability targeting
- Geographic distribution considerations
- Developer experience and capacity
- Financial feasibility

2025 QAP Changes to Note:

- Review current QAP for any threshold changes
- Confirm nonprofit set-aside requirements
- Verify senior housing-specific scoring criteria

Application Tips

1. **Senior Set-Aside:** Apply under senior housing category - less competition
2. **Waivers:** Request any needed waivers early in process
3. **Deadline Discipline:** All documents due by 5:00 PM on deadline dates
4. **Excel Format:** Must use official 2025 Excel Core Application
5. **Bond Coordination:** Start GHFA bond discussions concurrently
6. **Market Study Currency:** Ensure market study is within 6-month window

Estimated Time to Complete

Opportunity #3: CalHFA Multifamily Permanent Loan

Why This Opportunity

California Housing Finance Agency (CalHFA) provides permanent financing for affordable multifamily developments with loan amounts ranging from $2M to $50M. With competitive long-term rates and established senior housing expertise, CalHFA represents an excellent permanent financing option for RHF's California development pipeline.

Funder Overview

Attribute	Details
Funder	California Housing Finance Agency (CalHFA)
Program	Multifamily Permanent Loan Programs

Positioning Strategy

Recommended Approach: Position RHF as experienced California affordable housing developer seeking permanent financing for senior housing developments. Emphasize strong debt coverage ratios and proven management track record.

Key Messaging Points:

1. **California Presence:** Highlight existing California projects and pipeline
2. **Financial Strength:** Demonstrate strong debt coverage ratios (1.15+ DCR)
3. **Senior Housing Expertise:** Show track record with senior developments
4. **Long-Term Commitment:** Emphasize nonprofit mission and permanent affordability
5. **Multiple Programs:** Consider both Tax-Exempt and Taxable options

Program Options: - **Tax-Exempt Permanent Loans:** Lower rates, affordability restrictions - **Taxable Permanent Loans:** More flexibility, higher rates - **Conduit Issuer Program:** For larger transactions - **Bond Recycling Program:** Efficient use of bond allocation - **Mixed-Income Program:** For projects serving 30-120% AMI

Funder Intelligence

CalHFA Priorities:

- Affordable housing production
- Senior housing development
- Geographic distribution across California
- Financial feasibility and sustainability
- Developer experience and capacity
- Long-term affordability commitments

Processing Timeline:

- Pre-application meeting: 2-4 weeks to schedule
- Preliminary review: 30-45 days

- Commitment: 60-90 days from application
- Closing: 90-120 days from commitment

Total timeline: 6-9 months

Application Tips

1. **Pre-Application Meeting:** Essential first step - schedule early
2. **Term Sheet Review:** Compare Tax-Exempt and Taxable options
3. **Mixed-Income:** Consider for projects serving 30-120% AMI
4. **Processing Time:** Budget 90-120 days for full process
5. **Appraisal:** Must use CalHFA-approved appraiser
6. **Rate Lock:** Understand rate lock timing and costs

Estimated Time to Complete

Total	**88 hours**	3-4 staff over 6-9 months

Opportunity #4: Enterprise Community Loan Fund

Why This Opportunity

Enterprise Community Loan Fund is one of the nation's leading Community Development Financial Institutions (CDFIs), with extensive experience financing affordable senior housing. Their flexible underwriting, multiple loan products (predevelopment, acquisition, construction, bridge), and strong senior housing portfolio make them an ideal financing partner for RHF. Recent senior housing loans include $4.2M, $7.7M, and $1.75M projects.

Funder Overview

Attribute	Details
Funder	Enterprise Community Partners
Program	Enterprise Community Loan Fund
Amount	$1,000,000 - $20,000,000+
Type	CDFI lending (various loan products)
Deadline	Rolling (ongoing applications)
Website	enterprisecommunity.org

Application Process

Step 1: Initial Outreach (This Week) - [ ] Call Eve Goldstein-Siegel (CA): (415) 400-0986 - [ ] Call Stephanie Barrett (CA): (213) 787-8201 - [ ] Introduce RHF and current pipeline projects - [ ] Request preliminary meeting to discuss financing needs

Step 2: Project Inquiry Submission (December 2025) - [ ] Submit preliminary project information - [ ] Include project summary, budget, and sources/uses - [ ] Provide organizational financials - [ ] Await initial feedback and term sheet indication

Step 3: Term Sheet and Application (January 2026) - [ ] Review term sheet offer - [ ] Complete full application if terms acceptable - [ ] Provide all required due diligence documents - [ ] Coordinate with other financing sources

Step 4: Underwriting and Closing (60-90 days) - [ ] Complete underwriting process - [ ] Address any conditions or questions - [ ] Close loan - [ ] Begin draws (if construction loan)

Required Documents Checklist

Initial Inquiry: - [ ] Project summary (1-2 pages) - [ ] Development budget (sources and uses) - [ ] Preliminary pro forma - [ ] Site information and control evidence - [ ] Organization overview

Full Application: - [ ] Detailed project plans and narrative - [ ] Financial projections (15-20 year) - [ ] Site control evidence (deed, option, PSA) - [ ] Development team resumes and track record - [ ] Organizational financials (3 years audited) - [ ] Market analysis or study

Due Diligence: - [ ] Environmental Phase I - [ ] Appraisal (if acquisition/construction) - [ ] Title report - [ ] Survey - [ ] Zoning verification - [ ] Construction documents (if construction loan)

Stephanie Barrett	(213) 787-8201 - Southern California
Website	enterprisecommunity.org
CDFI Information	enterprisecommunity.org/capabilities/community-development-financial-institution

Positioning Strategy

Recommended Approach: Position RHF as experienced nonprofit senior housing developer seeking CDFI partnership for flexible financing across the development lifecycle. Reference Enterprise's successful senior housing portfolio and similar recent transactions.

Key Messaging Points:

1. **Senior Housing Alignment:** Enterprise has strong senior housing portfolio - reference similar loans
2. **Nonprofit Mission:** CDFIs prioritize mission-aligned nonprofit borrowers

3. **Multiple Products:** Discuss needs across predevelopment, acquisition, construction, bridge
4. **Pipeline Approach:** Present multiple projects for relationship lending
5. **Permanent Takeout:** Show clear permanent financing plan for construction loans

Reference Recent Senior Housing Loans:

- Birchwood at Waldorf: $4.2M (96 units)
- Vigil Light Apartments: $7.7M (49 units)
- Lake Merritt BART: $1.75M predevelopment

Funder Intelligence

Enterprise CDFI Priorities:

- Affordable housing production
- Community development impact
- Nonprofit borrower partnerships
- Geographic diversity
- Senior and special needs housing
- Financial sustainability

Loan Types Available:

Loan Type	Purpose	Typical Amount
Predevelopment	Early project costs	$100K - $2M
Acquisition	Property purchase	$1M - $15M
Construction	New construction	$2M - $20M
Bridge	Gap/transition financing	$1M - $10M
Mini-Perm	Short-term permanent	$2M - $15M

What Enterprise Values:

- Strong developer track record
- Clear permanent financing takeout
- Deep affordability targeting
- Community impact demonstration
- Financial feasibility
- Relationship lending approach

Application Tips

1. **Relationship First:** Start with phone call to regional contact
2. **Pipeline Presentation:** Discuss multiple projects, not just one
3. **Exit Strategy:** Have clear permanent financing plan documented
4. **Rolling Review:** Applications reviewed continuously - no set deadline
5. **Nonprofit Advantage:** Both nonprofit and for-profit eligible, but nonprofits preferred
6. **Flexible Underwriting:** CDFIs offer more flexibility than conventional lenders

Opportunity #5: FHLBank San Francisco Nevada Targeted Fund

Why This Opportunity

Federal Home Loan Bank of San Francisco's Nevada Targeted Fund is the first state-specific fund in the FHLBank system, created to address Nevada's severe shortage of affordable housing. With only 17 affordable units per 100 extremely low-income households (the worst ratio nationally), this fund provides dedicated resources for Nevada projects with maximum awards increased to $1.25M.

Funder Overview

Attribute	Details
Funder	Federal Home Loan Bank of San Francisco
Program	Nevada Targeted Affordable Housing Program Fund
Amount	$500,000 - $1,250,000 (increased from $1M)
Type	Grant (through member bank partnership)
Deadline	Spring 2025 (annual competitive round)
Website	fhlbsf.com/community-programs/
Requirement	Must apply through FHLBank member bank

Application Process

Step 1: Member Bank Partnership (December 2025 - February 2026) - [ ] Identify FHLBank San Francisco member bank in Nevada - [ ] Contact bank community development or CRA officer - [ ] Introduce RHF and Nevada senior housing projects - [ ] Secure commitment to sponsor AHP application

Step 2: Joint Application Preparation (February - April 2026) - [ ] Work with member bank to prepare application - [ ] Develop project scoring narrative - [ ] Compile all required documentation - [ ] Calculate scoring criteria alignment

Step 3: Competitive Round Submission (Spring 2025) - [ ] Member bank submits application on RHF's behalf - [ ] Await competitive scoring and ranking - [ ] Respond to any FHLBank questions

Step 4: Award and Compliance (Summer 2025) - [ ] Receive award notification - [ ] Execute grant agreement - [ ] Begin project within compliance timeframe - [ ] Complete within 4-year requirement

Required Documents Checklist

Through Member Bank: - [ ] Complete AHP application (bank format) - [ ] Member bank sponsorship letter - [ ] Project description and scope

Developer Documentation: - [ ] Development budget (sources and uses) - [ ] 15-year operating pro forma - [ ] Market study or needs assessment - [ ] Financial projections - [ ] Site control documentation - [ ] Environmental clearance

Compliance Certifications: - [ ] Income targeting commitments - [ ] Affordability period certification - [ ] Nonprofit status verification - [ ] Development timeline commitment

Key Contacts

Contact	Details
Website	fhlbsf.com/community-programs/
AHP Information	fhlbsf.com/products/community-programs-grants/ahp
Note	Must apply through member bank - contact local Nevada banks

Positioning Strategy

Recommended Approach: Position RHF's Nevada senior housing project as directly addressing the state's critical affordable housing shortage. Nevada has the worst affordable housing ratio in the nation for extremely low-income households - this fund was created specifically to address this crisis.

Key Messaging Points:

1. **Nevada Crisis:** Only 17 affordable units per 100 extremely low-income households
2. **Dedicated Fund:** First state-specific fund in FHLBank system - created for Nevada
3. **Senior Housing:** Senior housing receives scoring preference
4. **Nonprofit Sponsorship:** Nonprofit developers valued in scoring
5. **Increased Cap:** Maximum increased to $1.25M (from $1M)

Reference 2025 Awards:

- Total Nevada fund: $5.1M for 273 units
- $15M cap per member bank for Nevada projects

- First-ever state-targeted fund in FHLBank system

Funder Intelligence

Scoring Priorities:

- Serves lowest income households (<30% AMI highest priority)
- Senior housing designation
- Nonprofit sponsorship
- Community impact metrics
- Leveraged funding from other sources
- Project readiness
- Developer experience

Member Bank Considerations:

- Banks receive CRA credit for AHP participation
- $15M cap per member for Nevada fund
- Banks select projects to sponsor
- Strong bank relationship essential

Timeline:

Application round: Spring (typically April-May)

Scoring period: 60-90 days

Award announcements: Summer

Project completion: 4 years from award

Application Tips

1. **Bank Partnership First:** Cannot apply without member bank sponsor - start now
2. **CRA Pitch:** Emphasize CRA benefits to potential bank partners
3. **Scoring Optimization:** Structure project to maximize scoring criteria
4. **Deep Affordability:** Target lowest incomes for highest scores
5. **Early Start:** Begin bank conversations 6+ months before deadline
6. **4-Year Completion:** Ensure project can complete within requirement
