Funding Scenarios

Scenario	Estimated Annual Funding	Opportunities Included
Conservative	$150,000 - $250,000	AAA contracts only
Moderate	$300,000 - $450,000	AAA + CalAIM expansion
Aggressive	$500,000 - $750,000	All opportunities pursued

Key Strengths to Leverage

1. **Incumbent Provider Status:** SNS holds active contracts with Seniors Council AAA for I&A, HICAP, Ombudsman, and Housing services - a significant competitive advantage for the 2025-29 cycle.

2. **CalAIM Alignment:** SNS housing navigation services position the organization for CalAIM Community Supports contracting.

3. **Demonstrated Performance:** Track record of service delivery provides evidence for funding applications.

4. **Geographic Coverage:** Service area aligns with multiple funder priorities (Santa Cruz, Monterey, San Benito Counties).

Success Path

Phase 1 (Immediate): Protect existing AAA contracts through Bidder's Conference attendance and strong proposal submission.

Phase 2 (Q1 2026): Pursue CSNSGP security funding and CalAIM provider enrollment.

Phase 3 (Mid-2026): Build foundation relationships for Archstone capacity building grant.

2. About Senior Network Services

Mission

Senior Network Services (SNS) is a community-based organization serving older adults and individuals with disabilities across Santa Cruz and Monterey Counties, California.

Grant Funding Goals

- Protect and expand AAA contract funding ($150,000 - $300,000 annually)
- Diversify revenue through CalAIM contracting ($100,000 - $500,000 potential)
- Secure foundation support for capacity building ($50,000 - $300,000)
- Explore security enhancement funding if eligible ($250,000 - $500,000)

Core Service Areas

Service	Current Status	Funding Alignment
Information & Assistance (I&A)	Active AAA Contract	Title III-B, CalAIM
HICAP	Active AAA Contract	Title III-B
Long-Term Care Ombudsman	Active AAA Contract	Title III-B
Housing Navigation	Active AAA Contract	CalAIM Community Supports
Caregiver Support	Expansion Opportunity	Title III-E

Incumbent Provider Advantages

SNS's position as a current Seniors Council AAA contractor provides:

☐ Demonstrated performance track record
☐ Established relationships with AAA staff
☐ Understanding of reporting requirements
☐ Community trust and recognition
☐ Continuity of service preference
☐ Lower transition risk for funder

---

3. Week 1 Opportunities Overview

Why These Five This Week

1. **CSNSGP:** December 12 deadline requires immediate eligibility assessment - $76 million available statewide with no match requirement.

2. **Bidder's Conference:** January 14 attendance is mandatory to protect incumbent contracts representing core organizational funding.

3. **NCOA Grants:** Rolling applications with strong I&A and aging network alignment support near-term submission.

4. **AARP Foundation:** Complementary funding for senior advocacy and community programming.

5. **Archstone Foundation:** July 2025 LOI deadline requires early relationship cultivation; CalAIM focus perfectly aligns with SNS strategy.

4. Opportunity Deep Dives

Opportunity #1: California Senior Nutrition and Services Grant Program (CSNSGP)

DEADLINE: December 12, 2025, 11:59 PM - URGENT

Why This Opportunity

The CSNSGP offers substantial funding ($250,000-$500,000) with no match requirement from a $76 million statewide pool. While the fit score is conditional (50/100) pending eligibility confirmation, the funding amount and December 12 deadline make immediate assessment critical. SNS must determine if it serves populations at high risk for hate crimes to qualify.

Funder Overview

Element	Details
Funder Name	California Governor's Office of Emergency Services (Cal OES)
Program	California State Nonprofit Security Grant Program (CSNSGP)
Funding Amount	$250,000 - $500,000 per award
Total Available	$76 million (2025-26 cycle)
Number of Awards	1-300 statewide
Match Required	None
Deadline	December 12, 2025, 11:59 PM
Submission Method	Electronic to CSNSGP@caloes.ca.gov

Application Process

Step 1: Eligibility Assessment (By December 1)

[ ] Determine if SNS serves populations at high risk for hate crimes

[ ] Review client demographics for qualifying populations:

- LGBTQ+ older adults
- Immigrant/refugee seniors
- Seniors with disabilities targeted by bias
- Religious minority seniors
- Racial/ethnic minority seniors

[ ] Document services to at-risk populations

[ ] If uncertain, contact CSNSGP Unit at 916-845-8410

Step 2: Application Preparation (December 1-10)

[ ] Download Application Form (Version 10/25)

[ ] Complete Vulnerability Assessment (VA) Worksheet (Version 10/25)

[ ] Gather supporting documents demonstrating high-risk status

[ ] Prepare security assessment documentation

[ ] Develop budget for proposed security enhancements

Step 3: Application Submission (By December 12)

[ ] Compile complete application package

[ ] Submit electronically to CSNSGP@caloes.ca.gov

[ ] Confirm receipt of submission

[ ] Retain copies of all submitted materials

Required Documents Checklist

- ☐ Application Form (Version 10/25)
- ☐ Vulnerability Assessment (VA) Worksheet (Version 10/25)
- ☐ IRS 501(c)(3) determination letter
- ☐ Supporting documents demonstrating high-risk status
- ☐ Security assessment or needs documentation
- ☐ Budget for proposed security enhancements
- ☐ Organizational profile

Positioning Strategy

- If SNS determines eligibility, emphasize:
- Documented services to at-risk senior populations
- Physical facility security needs
- Community gathering point function

- Staff and client safety concerns

Funder Intelligence

- Applications scored on six criteria totaling 48 points
- Organizations must score 40+ points to be considered
- Scoring based on: threat assessment, vulnerability assessment, consequence assessment, organizational capacity, project feasibility, budget justification
- Grant operates on reimbursement basis (spend first, then request reimbursement)

Application Tips

- Focus documentation on populations at high risk for hate crimes
- Be specific about security vulnerabilities and proposed solutions
- Include detailed cost estimates for security enhancements
- If eligibility is uncertain, contact CSNSGP Unit before deadline

Estimated Time to Complete

- Eligibility assessment: 2-4 hours
- Application preparation: 15-20 hours
- Document gathering: 5-10 hours
- Total: 25-35 hours

Opportunity #2: San Mateo County AAA Bidder's Conference

DEADLINE: January 14, 2026, 2:30 PM - MANDATORY ATTENDANCE

Why This Opportunity

This opportunity represents SNS's highest-priority funding relationship. As the incumbent provider, SNS has a significant competitive advantage for the 2025-29 contracting cycle. Attendance at the Bidder's Conference is mandatory for proposal submission. This is non-negotiable - missing this conference means losing the ability to compete for core contract funding.

Positioning Strategy

Leverage Incumbent Advantages:

- Reference documented performance metrics from current contract
- Emphasize continuity of care for existing clients
- Highlight established community relationships

- Demonstrate understanding of AAA requirements
- Note lower transition risk compared to new providers

Service Areas to Highlight:

- Information & Assistance (I&A)
- Core strength
- HICAP
- Medicare counseling expertise
- Long-Term Care Ombudsman
- Advocacy track record
- Housing Navigation
- CalAIM alignment

Funder Intelligence

- Seniors Council AAA distributes over $2.2 million in state and federal funds annually
- PSA #13 covers Santa Cruz and San Benito Counties
- Has served as Area Agency on Aging since 1973
- Values provider stability and service continuity
- Preferences for evidence-based practices

Application Tips

- Attend conference in person if possible (demonstrates commitment)
- Prepare questions in advance to maximize conference time
- Quantify all outcomes from current contract period
- Include client testimonials if available
- Reference specific AAA priorities in proposal narrative
- Use their budget template exactly as provided

Estimated Time to Complete

- RFP review and preparation: 10-15 hours
- Conference attendance: 3 hours
- Proposal development: 25-35 hours
- Document gathering: 10-15 hours
- Total: 50-70 hours

Opportunity #3: National Council on Aging Grants

DEADLINE: Rolling - Submit When Ready

Why This Opportunity

The National Council on Aging (NCOA) provides funding for evidence-based programs and services supporting older adults - directly aligned with SNS's I&A and advocacy mission. Rolling deadlines allow for strategic submission timing, and NCOA's national network provides credibility and technical assistance resources.

Funder Overview

Element	Details
Funder Name	National Council on Aging (NCOA)
Funder Type	National nonprofit organization
Funding Amount	$50,000 - $150,000 (varies by program)
Deadline	Rolling (varies by program)
Fit Score	75/100 - STRONG
Focus Areas	Benefits access, healthy aging, economic security

Application Process

Step 1: Research Current Opportunities (December 2025)

[ ] Visit ncoa.org for current funding opportunities

[ ] Review program-specific eligibility requirements

[ ] Identify programs matching SNS services

[ ] Note application deadlines and requirements

Step 2: Program Alignment Assessment

[ ] Map SNS services to NCOA priority areas

[ ] Identify evidence-based programs currently offered or planned

[ ] Document outcomes aligned with NCOA metrics

[ ] Assess capacity for new program implementation

Step 3: Application Development

[ ] Register on NCOA partner portal if required

[ ] Complete application following program guidelines

[ ] Include evidence of organizational capacity

[ ] Submit required documentation

Required Documents Checklist

- ☐ IRS 501(c)(3) determination letter

- ☐ Organizational budget
- ☐ Board of Directors list
- ☐ Program outcomes data
- ☐ Staff qualifications
- ☐ Evidence-based program certification (if applicable)

Key Contacts

Contact	Details
Organization	National Council on Aging

Positioning Strategy

- Emphasize I&A as core to benefits access for seniors
- Highlight HICAP connection to Medicare education priorities
- Connect housing services to economic security goals
- Reference aging network membership and partnerships
- Demonstrate commitment to evidence-based practices

Funder Intelligence

- NCOA works with thousands of national and local partners
- Strong emphasis on benefits enrollment assistance (BenefitsCheckUp)
- Focus on falls prevention, chronic disease management
- Values data-driven approaches and outcome measurement
- Technical assistance available for evidence-based program implementation

Application Tips

- Align proposal language with NCOA's stated priorities
- Include specific outcome metrics from current programs
- Reference any existing NCOA program participation
- Highlight partnerships with other aging network organizations
- Demonstrate capacity for data collection and reporting

Estimated Time to Complete

- Research and program selection: 5-8 hours
- Application development: 15-20 hours
- Document gathering: 5-8 hours
- Total: 25-35 hours

Opportunity #4: AARP Foundation Grants

DEADLINE: Rolling - Submit When Ready

Why This Opportunity

The AARP Foundation funds programs addressing the needs of vulnerable older adults, particularly around economic security, hunger, housing, and isolation. While funding amounts are moderate ($25,000-$100,000), the AARP brand provides visibility and the foundation's focus on systems change aligns with SNS advocacy work.

Funder Overview

Element	Details
Funder Name	AARP Foundation
Funder Type	National charitable foundation
Funding Amount	$25,000 - $100,000
Deadline	Rolling (by invitation for most programs)
Fit Score	70/100 - MODERATE
Focus Areas	Income, hunger, housing, isolation

Application Process

Step 1: Assess Program Fit (December 2025)

[ ] Review aarpfoundation.org for current initiatives

[ ] Identify programs matching SNS service areas

[ ] Determine if invitation-only or open application

[ ] Note any geographic or programmatic restrictions

Step 2: Relationship Development

[ ] Identify local AARP Foundation contacts

[ ] Explore partnership opportunities

[ ] Attend AARP-sponsored events or webinars

[ ] Express interest in funding conversations

Step 3: Application Submission (When Invited) - [ ] Follow funder-specific guidelines - [ ] Emphasize vulnerable population focus - [ ] Include measurable outcomes - [ ] Submit required documentation

Required Documents Checklist

- ☐ IRS 501(c)(3) determination letter
- ☐ Organizational budget and financials
- ☐ Board of Directors list

- ☐ Program description and outcomes
- ☐ Demographics of population served
- ☐ Staff qualifications

Key Contacts

Contact	Details
Organization	AARP Foundation
Website	https://www.aarpfoundation.org/
General Information	Via website contact form

Positioning Strategy

- Lead with housing navigation services (housing is top AARP Foundation priority)
- Emphasize low-income seniors served
- Highlight isolation reduction through I&A services
- Connect HICAP to economic security outcomes
- Demonstrate systems-level impact potential

Funder Intelligence

- AARP Foundation focuses on vulnerable adults 50+
- Strong emphasis on economic opportunity and security
- Housing is current high-priority area
- Values innovative approaches to entrenched problems
- Prefers organizations with demonstrated reach

Application Tips

- Frame services in terms of AARP Foundation's four pillars: income, hunger, housing, isolation
- Quantify number of low-income seniors served
- Include data on poverty levels in service area
- Highlight any previous AARP or AARP Foundation engagement
- Demonstrate scalability potential

Estimated Time to Complete

- Research and fit assessment: 3-5 hours
- Relationship development: Ongoing
- Application (when invited): 15-20 hours
- Total: 20-25 hours plus relationship building

Opportunity #5: Archstone Foundation

DEADLINE: July 2025 LOI Opening - Begin Preparation Now

Why This Opportunity

Archstone Foundation's explicit focus on care coordination, CalAIM implementation, and health equity perfectly aligns with SNS's strategic direction. With over $130 million granted since founding, Archstone is a significant California funder of aging services. The July 2025 timeline allows for thoughtful relationship building and preparation.

Funder Overview

Element	Details
Funder Name	Archstone Foundation
Location	Long Beach, CA
Funding Amount	$100,000 - $300,000 (Capacity Building up to $50,000)
Deadline	July 2025 (LOI/Screening Questionnaire opens)
Fit Score	80/100 - STRONG
Status	RELATIONSHIP BUILDING PHASE

Grant Types	Details
Capacity Building	Up to $50,000, one year, improve internal structures
General Grants	$200,000-$500,000, up to three years, statewide impact

Application Process

Step 1: Immediate Actions (Now) - [ ] Register for Catchafire access (free capacity building support) - [ ] Contact Carly Roman at cromanwoo@archstone.org - [ ] Subscribe to Archstone newsletter for updates

Step 2: Preparation Phase (January - June 2025) - [ ] Develop organizational profile emphasizing care coordination - [ ] Document CalAIM readiness and ECM alignment - [ ] Compile health equity data and commitments - [ ] Demonstrate JEDI (Justice, Equity, Diversity, Inclusion) principles - [ ] Track outcomes that align with Archstone priorities

Step 3: Application Phase (July 2025+) - [ ] Complete screening questionnaire when RFP opens - [ ] For General Grants: Initiate program officer conversation first - [ ] If invited, submit Letter of Inquiry through online portal - [ ] If selected, submit full proposal

Required Documents Checklist

- ☐ IRS 501(c)(3) determination letter
- ☐ Audited financial statements (2 years)
- ☐ Board of Directors list with affiliations
- ☐ Organizational budget
- ☐ Annual report or impact summary
- ☐ CalAIM/ECM experience summary

Positioning Strategy

CalAIM Alignment (Critical): - Highlight housing navigation services under CalAIM Community Supports - Emphasize Enhanced Care Management readiness - Document care coordination capabilities - Reference Central California Alliance partnership potential

Health Equity Focus: - Document diverse populations served - Include demographic data on underserved seniors - Highlight culturally responsive service delivery - Address access barriers in service area

Capacity Building Fit: - Identify specific organizational development needs - Propose measurable capacity improvements - Demonstrate commitment to sustainability

Funder Intelligence

- Over 35 years of grantmaking focused on aging
- More than 1,250 grants totaling $130+ million
- Three primary goals: health outcomes, eliminating disparities, building capacity
- Has explicitly supported CalAIM implementation
- Prior Capacity Building grantees cannot reapply for that category
- Catchafire partnership provides free technical assistance

Application Tips

- Begin relationship building now, not at deadline
- Register for Catchafire even if not applying immediately
- For General Grants, never submit without program officer conversation
- Capacity Building is competitive but more accessible entry point
- Emphasize systems-level impact, not just direct service
- Reference CalAIM and care coordination frequently

Estimated Time to Complete

- Relationship building: Ongoing (6+ months recommended)
- Screening questionnaire: 3-5 hours
- LOI development: 10-15 hours
- Full proposal (if invited): 25-35 hours
- Total: 40-55 hours over 6-12 months

8. Conclusion and Next Steps

Summary

This Week 1 report identifies five strategic grant opportunities for Senior Network Services:

1. **CSNSGP** - Urgent December 12 deadline with high funding potential ($250K-$500K) pending eligibility confirmation
2. **AAA Bidder's Conference** - Mandatory January 14 attendance to protect core contract funding
3. **NCOA Grants** - Rolling opportunity aligned with I&A mission
4. **AARP Foundation** - Complementary funding for senior advocacy
5. **Archstone Foundation** - Strategic relationship building for CalAIM-aligned support
