Hi Alec,

Please, note that Opportunity #1: California Senior Nutrition and Services Grant Program (CSNSGP) is actually California State Nonprofit Security Grant Program (CSNSGP). Also, the AAA RFP is from January 2025. Do you have another one you meant to send instead?

Thank you.

Also, are you still looking for someone to help with software? If so, would you mind sending a little more info about your project so I can forward it to my partner?

Best,

> Welcome to your first weekly grant opportunity brief from The Grant Scout. This week's report highlights five high-priority opportunities that were found. We are flagging one urgent deadline: the California State Nonprofit Security Grant Program (CSNSGP) closes December 12, 2025, with up to $500,000 available per award. Additionally, please mark your calendar for the critical January 14, 2026 Bidder's Conference for the 2025–29 AAA contracting cycle—attendance is mandatory to protect your incumbent provider status.

Our research team evaluated opportunities against SNS's core competencies (I&A, HICAP, Ombudsman, Housing Navigation), current contract relationships, and realistic application timelines. These five were prioritized based on deadline urgency, funding potential ($250,000–$500,000 total range), and strategic fit with your incumbent AAA provider advantage and CalAIM expansion goals.

This Week's Top 5 Opportunities

1. California Senior Nutrition and Services Grant Program (CSNSGP) — $250,000–$500,000 — Deadline: December 12, 2025
   URGENT: 20 days remaining; $76M available statewide.

2. San Mateo County AAA Bidder's Conference — $50,000–$300,000 — January 14, 2026
   Mandatory attendance to protect your 2025–29 contracts.

3. National Council on Aging Grants — $50,000–$150,000 — Rolling
   Strong alignment with I&A and the national aging network.

4. AARP Foundation Grants — $25,000–$100,000 — Rolling
   Focused on senior advocacy, housing stability, and community service.

5. Archstone Foundation — $100,000–$300,000 — July 2025 LOI
   Begin relationship building now; high alignment with CalAIM priorities.

Total potential this week: **$475,000 – $1,350,000**

Immediate Actions Required

- By December 1: Complete CSNSGP eligibility assessment (does SNS serve populations at high risk for hate crimes?).
- By December 12: Submit CSNSGP application if eligible (no match required).
- Immediately: Email clayk@seniorscouncil.org to confirm Bidder's Conference attendance.
- By January 14: Attend the Bidder's Conference at 2:30 PM, 236 Santa Cruz Ave, Aptos, CA 95003 (or request the Zoom link).
- December 2025: Email ecm-cs@ccah-alliance.org to initiate CalAIM provider enrollment discussion.

What's in the Full Report

Your attached pdf includes:

- Detailed funder profiles and contact information

- Step-by-step application processes
- Required document checklists
- Positioning strategies leveraging your incumbent advantage
- A 60-day timeline beginning November 22, 2025
